Thanks, Dan. I'll ask around here too to get a sense of what a "non-financial record review" is.

Allison,

I have no idea—I knew that NPDES did an inspection on 2/20/13, but I know nothing of a RCRA inspection.

**Ex. 7(a)**

I will ask Jerry when he returns from inspection (at the moment).

Hi Dan,

I'm immersing myself in RCRA and CWA in anticipation of receiving the inspection report. In this process, I performed a multi-database search on the EPA website on Super Salvage. Did you know that RCRA performed some kind of compliance review on 2/26/13? It is in the ECHO database as a "non-financial record review." Do you have any idea what this is? Thanks!

Allison
